

2021 FL Global Summit Volunteer Videos Prayer Requests

1. Asia-

We want to share three things you can pray for us.

First, we want you to pray that God will use the AOP online courses to bless more families. And now we have so many people that are already in this ministry and they're doing faithful work to multiply small groups and a lot of members are holding their own small groups. We can pray for all these leaders to be blessed by these AOP lessons.

Secondly, we want you to pray for the retreat we're planning to have, for people to be blessed by the retreat and share their experiences with each other.

And lastly you can pray for our ministry in church, and that God would raise more leaders, and help with the local church planting program. Thank you.

2. India-

We have been focusing on the Leader Impact strategy, to reach, engage and equip leaders from different walks of life The FamilyLife ministries have been a blessing for us to face life challenges well and equip us to carry out these powerful resources to many Indian families for the past 10 years. Kindly pray for more opportunities to partner with churches to develop discipleship homes in our nation, India Thank you

3. Italy-

We would appreciate and thank you for your prayers, regarding two main aspects, one is wisdom, and the second one is favor.

So wisdom is for the decisions we are making as a family, and as FamilyLife here in Italy. And for next steps for new ideas, what to implement, the resources we will need to have to implement that. So wisdom to take the right decision, God's decisions and to listen to him.

The second aspect is favor- so we would appreciate your prayers for **God's favor** in these decisions, that he could lead, he could bless. That He could be behind us, in us, also in front of us as we walk in this way. Thank you.

4. Nigeria-

Please pray that all of our volunteers will express God honoring marriages and exemplary marriages to the glory of his name.

Also pray that we will experience a great movement of Home Builders groups in all the 6 states of our country Nigeria and the capital of Abuja.

Thank you, God bless you.

5. Nigeria-

Please pray that God will continue to protect all the Christians in Nigeria. In the last five years, we've been moving to various parts of the country, we've touched about 11 cities across the nation. We have strong ministries developing in a couple new cities. We are the team leaders for FamilyLife Nigeria.

Pray that we would have more disciples to open more cities to the ministry of FamilyLife. God has graciously provided opportunity for us to be on the radio, for three years the radio station was allowing us to do it free. From this year, they said we should be paying^{ P }_{ SEP } because of economic challenges. Please pray that God would provide for this program to keep running. The program is effective, with a lot of Muslims listening. They even call us to thank us for what we are doing. Of course, all of the programs are based on the word of God. Then the same producer who started the program in the city of Josh, has started a new job and moved to another city and plans to start the same program in Abuja. Pray that this will come true. Thank you so much. We're glad to be part of this family. Blessings.

And one thing we are very much focused in ministering to are the leaders, by using the tools of FamilyLife. We have been using the tools of FL ministries, of marriage ministry and parenting ministry to minister to these leaders.

Please pray for God's wisdom, as we are working in a place, which is hostile towards the gospel. We are passionate, working with leaders, especially couples. Pray that God might use us, especially ministering to them with FL materials. Thank you.

But one of the things you can be praying for us for is that we rely heavily on volunteers. And as we look to the future and continuing to run our events and even build capacity to do more, we really need to grow our speaker team. The harvest is plentiful, as I say, the laborers are few.

And as well as speaking together at events we are also really passionate about seeing young couples flourish in their relationships, so would you be praying for wisdom for us as we mentor young couples through marriage mentoring and Preparing for Marriage.

Well, we're looking forward to catching up with some of our friends at the Global Summit
Thank you for your prayers. Bless you guys.

16. Australia-

We have a number of prayer requests, for younger couples we have worked with, who we've seen God working tremendously. We want you to pray as we reach out to them, we have been extremely excited for them, especially through covid as people experiencing high levels of anxiety and struggling in relationship with husbands, wives, partners and children as well, really struggling so, especially in Melbourne, as we have had a number of lockdowns, and so this is something we have seen God work in, especially as we have seen some really broken homes.
Thanks for praying for Australia!

Please, as you pray for FamilyLife for French speaking countries of Africa, pray that the churches will consider family life and all these resources and strategies as a useful tool and not as any form of disruption or competition

Pray also that each country in French speaking Africa would accept the strategies of FamilyLife.

Pray for our governments because there is mounting pressure from Western governments to accept alternative definitions of marriage, that you can easily imagine.

And finally, pray that our teams will get all the resources, the people, the forms, the various types of materials for the target audience we can have. And I believe that as we do so, and as we pray and see the answers to those prayers, we will be able to keep on working side by side.
God bless.

Next, 10-12 months we will try to start new spiritual movements among families in five cities where we don't have family life stuff, but we could train couples to use, especially the Art of Marriage in their communities, sharing the gospel, mentoring other couples having small groups and events for families.
